Sybil Flora Rheta Schreiber 2013 ‘How are you today?’ the doctor asked. ‘I’m fine’, was the reply. ‘But Sybil isn’t. She was so sick she couldn’t come. So I came instead.’ Sybil is the story of a woman with sixteen separate personalities, and was instrumental in influencing the definition and diagnosis of multiple personality disorder. Sybil’s diagnosis has since been called into question - but, forty years after it was first published, her story remains a gripping and disturbing account of one woman’s struggle for mental stability and happiness.

Astonishing book . . . It forces you to look at yourself and the people around you in a new way.’ Doris Lessing

Sybil Exposed Debbie Nathan 2012-06-12 Documents the stories of the three women behind the famous multiple-personality-disorder case, contending that a large portion of the story was fabricated by a willing patient, her psychiatrist and an ambitious journalist who took advantage of a public that was psychologically primed to believe their claims. By the award-winning author of Pornography. 50,000 first printing.

When Rabbit Howls Truddi Chase 1990-04-01 A woman diagnosed with dissociative identity disorder reveals her harrowing journey from abuse to recovery in this #1 New York Times bestselling autobiography written by her own multiple personalities. Successful, happily married Truddi Chase began therapy hoping to find the reasons behind her extreme anxiety, mood swings, and periodic blackouts. What emerged from her sessions was terrifying: Truddi’s mind and body were inhabited by the Troops—ninety-two individual voices that emerged to shield her from her traumatizing childhood. For years the Troops created a world where she could hide from the pain of the ritualized sexual abuse she suffered at the hands of her own stepfather—abuse that began when she was only two years old. It was a past that Truddi didn’t even know existed, until she and her therapist took a journey to where the nightmare began... Written by the Troops themselves, When Rabbit Howls is told by the very alter-egos who stayed with Truddi Chase, watched over her, and protected her. What they reveal is a spellbinding descent into a personal hell—and an ultimate, triumphant deliverance for the woman they became.

SYBIL in Her Own Words Patrick Suraci 2015-12 Whatever Happened to SYBIL? Dr. Patrick Suraci discovered the answer to that question in 1993. He learned that Sybil was Shirley Mason and they became friends. Flora Schreiber wrote SYBIL explaining how Shirley developed the 16 personalities as a result of her early childhood abuse. Using psychoanalysis for ten years, Dr. Cornelia Wilbur:....

After Sybil...from the Letters of Shirley Mason Nancy L. Preston 2013-02-01 “I’m Sybil.” Thus, Shirley Mason shared her secret identity with Nancy Preston, former student. That disclosure cemented an enduring twenty-eight year friendship between the two via phone calls, visits, and letters. From Shirley’s first letter to her last phone call to Nancy, After Sybil is a revealing glimpse into the daily life of the woman whose sixteen personalities were merged into the one Nancy knew and loved. Letters, photos, and quotes offer insight to Shirley’s view of her

parents, her therapist, and the bestselling book and subsequent movies about her. Interspersed are examples of Shirley’s art, including a self portrait.

I’m Eve Chris Costner Sizemore Elan Sain Pittillo 1977

The Minds of Billy Milligan DANIEL. KEYES 2018-07-12 Billy Milligan was a man tormented by twenty-four distinct personalities battling for supremacy over his body - a battle that culminated when he awoke in jail, arrested for the kidnap and rape of three women. In a landmark trial, Billy was acquitted of his crimes by reason of insanity caused by multiple personality disorder - the first such court decision in history. Among the twenty-four are: Philip, a petty criminal; Kevin, who dealt drugs; April, whose only ambition was to kill Billy's stepfather; Adalana, the shy, affection-starved lesbian who 'used' Billy's body in the rapes that led to his arrest; David, the eight-year-old 'keeper of the pain'; and the Teacher, the sum of all Billy's alter egos fused into one. In The Minds of Billy Milligan, Daniel Keys opens to the most remarkable and harrowing case of multiple personality ever recorded. 'Fascinating' LA Times 'Keyes] has carried it off brilliantly, bringing not only a fine clarity but a special warmth and empathy' Washington Post.

The Shoemaker Flora Rheta Schreiber 1984

A Mind of My Own Chris Costner Sizemore 1989 The subject of the celebrated "Three Faces of Eve" multiple-personality case describes her work in the mental health field and how she successfully integrated her several personalities into the woman she is today.

Firefly Piers Anthony 1992 The inhabitants of a remote estate in Florida's savannah country fall under the spell of a horrible predator who inflames and perverts their sexual desires, leading to a series of bizarre and deadly encounters.

Today I'm Alice Alice Jameson 2009-07-01 When Alice was a teenager, strange things started happening to her. Hours of her life simply disappeared. She'd hear voices shouting at her, telling her she was useless. And the nightmares that had haunted her since early childhood, scenes of men abusing her, became more detailed . . . more real. Staring at herself in the mirror she'd catch her face changing, as if someone else was looking out through her eyes. In Today I'm Alice, she describes her extraordinary journey from a teenage girl battling anorexia and OCD, drowning the voices with alcohol, to a young woman slipping further and further into mental illness. It was only after years lost in institutions that she was correctly diagnosed with multiple personality disorder. When her alternative personalities were revealed in therapy she discovered how each one had their own memories of abuse and a full picture of her childhood finally emerged. As she learned to live with her many
"alters", she set out to confront the man who had caused her unbearable pain. Moving and ultimately inspiring, this is a gripping account of a rare condition, and the remarkable story of a courageous woman.

The Sibyl—Parr Lagerkvist 2011-09-21 "A parable, rather than a novel in the ordinary sense of the term, The Sibyl is . . . a work of manifold meanings and unmistakable profundity, one that can neither be easily understood nor easily forgotten." —Granville Hicks, The New Leader

Eat My Globe—Simon Majumdar 2009-05-19 When Simon Majumdar hit forty, he realized there had to be more to life than his steady uninspiring desk job. As he began to escape his career, he rediscovered a list of goals he had scrawled out years before, the last of which said: Go everywhere, eat everything. With that, he had finished his mission — a yearlong search for the delicious, and curious, and the curiously delicious. In Majumdar's world, food is everything. Like every member of his family, he has a savant's memory for meals, with instant recall of dishes eaten decades before. Simon's unstoppable wit and passion for all things edible (especially those things that once had eyes, and a face, and a mom and a pop) makes this an armchair traveler's and foodie's delight — Majumdar does all the heavy lifting, eats the heavy foods (and suffers the weighty consequences), so you don't have to. He jets to thirty countries in just over twelve months, diving mouth-first into local cuisines and cultures as different as those of Japan and Iceland. His journey takes him from China, where he consumes one of his "Top Ten Worst Eats," stir-fried rat, to the United States, where he glories in our greatest sandwiches: the delectable sandwiches of Katz's Delicatessen in Manhattan, BBQ in Kansas and Texas, the still-rich po' boys of post-Katrina New Orleans. The meat of the story — besides the peerless ham in Spain, the celebrated steaks of Argentina, the best of Munich's wursts as well as their descendants, the famous hot dogs of Chicago — is the friends that Simon makes as he eats. They are as passionate about food as he is and are eager to welcome him to their homes and tables, share their choicest meals, and reveal their local secrets. Also a poignant memoir, Eat My Globe is a life told through food and spiced with Majumdar's remembrances of foods past, including those from his colorful childhood. (Raised in Northern England, he is the son of a fiery Welsh nurse and a distinguished Bengali surgeon.) A captivating look at one man's passion for food, family, and unique life experiences, Eat My Globe will make you laugh — while it makes you hungry. It is sure to satiate any gastronome obsessed with globetrotting — for now.

Midwives—Chris Bohjalian 2002-08-13 A contemporary classic that has sold more than two million copies and was a selection of Oprah's original Book Club, Midwives is a compulsively readable novel that explores questions of human responsibility that are as fundamental to our society now as they were when the book was first published twenty years ago. On an icy winter night in an isolated house in rural Vermont, a seasoned midwife named Sibyl Danforth takes desperate measures to save a baby's life. She performs an emergency cesarean section on a young mother she believes has died of stroke. But what if—as Sibyl's assistant later charges—the patient wasn't already dead? The ensuing trial bears the earmarks of a witch hunt, forcing Sibyl to face the antagonism of the law, the hostility of traditional doctors, and the accusations of her own conscience. Exploring the complex and emotional decisions surrounding childbirth, Midwives engages, moves, and transfixes us as only the very best novels ever do.

In Pieces—Sally Field 2018-09-18 In this intimate, haunting literary memoir and New York Times Notable Book of the year, an American icon tells her own story for the first time — about a challenging and lonely childhood, the craft that helped her find her voice, and a powerful emotional legacy that shaped her journey as a daughter and a mother. One of the most celebrated, beloved, and enduring actors of our time, Sally Field has an infectious charm that has captivated the nation for more than five decades, beginning with her first TV role at the age of seventeen. From Gidget's sweet-faced "girl next door" to the dazzling complexity of Sybil to the Academy Award-worthy ferocity and depth of Norma Rae and Mary Todd Lincoln, Field has stunned audiences time and time again with her radiant screen and stage performances. She has inspired her fans to expect the unexpected, and her fans have never been disappointed. In Pieces is an inspiring and important account of life as a woman in the second half of the twentieth century.

Cinder—Marissa Meyer 2013-01-08 As plague ravages the overcrowded Earth, observed by a ruthless lunar people, Cinder, a gifted mechanic and cyborg, becomes involved with handsome Prince Kai and must uncover secrets about her past in order to protect the world in this futuristic take on the Cinderella story.

The Black Book—Sybil Oldfield 2020-10-01 In 1939, the Gestapo created a list of names: the Britons whose removal would be the Nazis' first priority in the event of a successful invasion. Who were they? What had they done to provoke Germany? For the first time, the historian Sybil Oldfield uncovers their stories and reveals why the Nazis feared their influence. Those on the hitlist — more than half of them naturalised refugees - were many of Britain's most gifted and humane inhabitants. Among their numbers we find the writers E. M. Forster and Virginia Woolf, humanitarians and religious leaders, scientists and artists, the social reformers Margaret Fry and Eleanor Rathbone MP, the artists Jacob Epstein and Oscar Kokoschka. By examining these targets of Nazi hatred, Oldfield not only sheds light on the Gestapo worldview; she also movingly reveals a network of truly exemplary Britons: mavericks, moral visionaries and unsung heroes.

The Three Faces of Eve—Corbett Hilsman Thigpen 1952 P.O. Box 2619, Augusta, GA 30914-2619. Shipping by the regular book rate. First revised Edition, 1992, contains the latest thinking by Drs. THE SATURDAY REVIEW SYNDICATE said, "The most extraordinary & fascinating book of the year." LOS ANGELES TIMES, "Pales most novels in comparison." INDIANAPOLIS STAR, "Fascinating & engrossing." CHICAGO TRIBUNE, "An unforgettable experience."

King Mouse—Cary Fagan 2019-09-24 'A tiny mouse finds a tiny crown. It's a perfect fit. He likes being king. But what if his isn't the only crown in the forest?—Dust jacket.

Sybil Ludington: Revolutionary War Rider—E. F. Abbott 2016-02-16 What would you do if your country was counting on you to deliver a message? That's sixteen-year-old Sybil Ludington's urgent mission. In 1777, Sybil and her family believe the American colonies should be free from British control. Sybil's father leads a regiment of New York militiamen, and everyone in the family is dedicated to the Patriot cause. Using spy tactics and codes, the Ludingtons gather intelligence, hoping to stay one step ahead of their enemies. When British troops raid nearby Danbury, Connecticut, Sybil gallops through the night to call out her father's men. But the journey is dangerous for a girl who's all alone. With obstacles at every turn, will she make it in time to stop the British? Based on a True Story books are exciting historical fiction about real children who lived through extraordinary times in American History. This title has Common Core connections.

I've Got a Time Bomb—Cynthia Lamb 2014-05-27 On her way home from a gay wedding, Sybil's eponymous protagonist is ambushed, beaten, and left for dead on the train tracks. Days later, Sybil awakens in a hospital and finds her skull has been reconstructed, but it quickly becomes clear that her version of "normal" and "reality" may have been permanently altered. When she falls in love with a very beautiful, but very married, actress, Sybil does what comes naturally: she presents the object of her affection with a homemade explosive device, and then abruptly leaves town. I've Got A Time Bomb chronicles her surrealistic journey living among the losers, losers, and leave-behinds in the dark corners of Americika.
Living in the Woods in a Tree: Sybil Rosen 2008 Offers a glimpse into the turbulent life of Texas music legend Blaze Foley (1949-1989). This book is suitable for Blaze Foley and Texas music fans, as well as romantics of different ages.

The American Judaism Reader-Paul Kresh 1967

Servants’ Hall-Margaret Powell 2013-01-15 A collection of accounts about life in the servants’ halls of England’s great houses shares the true story of under-parourmaid Rose, who after eloping with her employer’s only son was swept up in a maelstrom of gossip.

All Of Me-Kim Noble 2014-07 Kim Noble is an accomplished artist whose work has been exhibited around the world. She is a mother with a teenage daughter. She is a bubbly and vivacious woman. To meet her you wouldn’t think anything was wrong. But when Kim was younger than five years old, her personality splintered and fractured. In 1995 she was finally diagnosed with Dissociative Identity Disorder (DID) which has been described as a creative way to cope with unbearable pain. Now her body hosts to more than 20 different personalities, or ‘alters’. There are women and men, adults and children; there is a scared little boy who speaks only Latin, an elective mute, a gay man and an anorexic teenager. Some alters age with her body; others are stuck in time. All OF ME takes the reader through the extraordinary world of a woman for whom the very nature of reality is different. It will tell of her terrifying battles to understand her own mind, of her desperate struggle against all odds to win back the child she loved; and of her courage and commitment in trying to make sense of her life. It is by turns shocking, inspiring, sometimes funny, and deeply moving.

Sybil’s Night Ride-Karen B. Winnick 2020-11-03 In this true story of bravery and determination, a young girl named Sybil Ludington risks darkness and danger to help the Revolutionary War effort. The British are invading, and it is up to her to master the troops for defense. Karen B. Winnick skillfully captures the hazards of wartime, Sybil’s courage, and her spirited colt with a suspenseful account and rich illustrations.

Stamped: Racism, Antiracism, and You-Jason Reynolds 2020-03-18 The #1 New York Times bestseller and a USAToday bestseller! A timely, crucial, and empowering exploration of racism—and antiracism—in America This is NOT a history book. This is a book about the here and now. A book to help us better understand why we are where we are. A book about race. The construct of race has always been used to gain and keep power, to create dynamics that separate and silence. This remarkable reimagining of Dr. Ibram X. Kendi’s National Book Award-winning Stamped from the Beginning reveals the history of racist ideas in America, and inspires hope for an antiracist future. It takes you on a race journey from then to now, shows you why we feel how we feel, and why the poison of racism lingers. It also proves that while racist ideas have always been easy to fabricate and distribute, they can also be discredited. Through a gripping, fast-paced, and energizing narrative written by beloved award-winner Jason Reynolds, this book shines a light on the many insidious forms of racist ideas—and on ways readers can identify and stamp out racist thoughts in their daily lives. Sybil Ludington’s Midnight Ride-Marsha Amstel 2000-02 Retells the story of Sybil Ludington’s ride on horseback to rouse American soldiers to fight against the British who were attacking Danbury, Connecticut during the American Revolution.

Sybille Bedford-Selina Hastings 2021-02-02 The first biography of the universally acclaimed British writer, Sybille Bedford, by the celebrated author of books about Nancy Mitford and Evelyn Waugh. Passionate, liberated, fiercely independent, Sybille Bedford was a writer and a journalist, the author of ten books, including a biography of Aldous Huxley, and four novels, all of which fictionalized her extraordinary life. Born in Berlin, she grew up in Baden, first with her distant, aristocratic father, and then in France with her intellectual, narcissistic, morphine-addicted mother and her lover. She was a child with a German Jewish background who survived two world wars and went on to spend her adult life in exile in France, Italy, New York, and Los Angeles, before finally settling in England. Bedford was ahead of her time in many ways, with great enthusiasm for life and all its sensual pleasures, including friendships with bold faced names in the worlds of literature and food as well as a literary network of high-powered lesbians. Aldous Huxley became a mentor, and Martha Gelhorn encouraged her to write her first novel, A Legacy; in 1989, her novel Jigsaw was shortlisted for the Booker Prize. In the 1960s, she wrote for magazines and newspapers, covering nearly 100 trials, including those of Auschwitz officials accused of Nazi war crimes and Jack Ruby, on trial for the murder of Lee Harvey Oswald. Brenda Wineapple has called Bedford “one of the finest stylists of the 20th century, bar none.” In this major biography, Selina Hastings has brilliantly captured the fierce intelligence, wit, curiosity, and compassion of the woman and the writer in all the richness of her character and achievements.

Anatomy of a Boyfriend-Daria Snadowsky 2008-09 In her last semester at a private school in Fort Myers, Florida, seventeen-year-old Dom finds her life transformed by her first boyfriend, Wes, a track star at the public school her best friend attends.

Coningsby-By Benjamin Disraeli 1902 Henry Coningsby is the orphaned grandson of a wealthy Marquess. While at Eton he befriends Oswald, whose father is an enemy of the Marquess. The older men represent old and new money in society. Coningsby begins to develop liberal political views, so his grandfather disinherits him, and Coningsby is forced to work for a living.

Dinky Hocker Shoots Smack!-M. E. Kerr 2013-12-17 M. E. Kerr’s first novel—hailed by the New York Times as “a timely, compelling,” and “brilliantly funny” look at adolescence and friendship It was bad enough that they had to move to Brooklyn—Brooklyn Heights, as Tucker Woolf’s dad instructs him to tell everyone after he loses his job. Now his father has suddenly developed an allergy to Tucker’s cat, Nader, a nine-month-old calico Tucker found underneath a Chevrolet. Tucker’s beloved pet finds a new home with overweight, outrageous Susan “Dinky” Hocker, the only person to answer Tucker’s ad. As Tucker starts paying regular visits to Dinky’s house to check up on Nader, his life begins to change. Dinky introduces Tucker to her strange cousin, Natallie Line, a compulsive rhymer whom Tucker finds fascinating. And enter P. John Knight, who’s fat like Dinky . . . and now, like Nader. With this odd cast of characters, a little world is created for big kids who need to go on diets. And who also, all of them, need to find out who they are. A story of friendship, self-image, and surviving adolescence, Dinky Hocker Shoots Smack! is also about the terror—and exhilaration—of daring to be yourself. This ebook features an illustrated personal history of M. E. Kerr including rare images from the author’s collection.

Seventy-Two Virgins-Boris Johnson 2005 Seventy-Two Virgins is a comic political novel, with similar appeal to Stephen Fry or Ben Elton, written by one of Britain’s most popular politicians. It is Boris Johnson’s first novel, to a top-level audience in Westminster Hall. Ferocious security - with some difficulties in communication - is provided by a joint force of the United States Secret Service and Scotland Yard. The best sharpshooters from both countries are stationed on the roof of the Parliament buildings. hapless Member of Parliament, having mislaid his
Fractured Mind - Debra Bruch 2016-03-06 Winner of the 2016 eLit Awards: Silver in Psychology/Mental Health.

Fractured Mind: The Healing of a Person with Dissociative Identity Disorder chronicles the healing process of a person suffering from DID. The disorder happened due to a long sustained period of traumatic violence during childhood. The book depicts the working of the subconscious and how it reveals itself layer upon layer from the surface of the subconscious to its depth. With hope and the support of amazing people, and at times the teaching and intervention of God, angels, and the Holy Spirit, a reformation of the psyche takes place. This book is a witness of the living Christ. The story tells of a journey of healing. Warning: this book is for adults only due to the nature of the content.

Ender's Game - Orson Scott Card 2017-10-17 "The classic of modern science fiction"--Front cover.

Good Morning, Monster - Catherine Gildiner 2020-09-22 "Catherine Gildiner is nothing short of masterful—as both a therapist and writer. In these pages, she has gorgeously captured both the privilege of being given access to the inner chambers of people's lives, and the meaning that comes from watching them grow into the selves they were meant to be."—Lori Gottlieb, New York Times bestselling author of Maybe You Should Talk to Someone In this fascinating narrative, therapist Catherine Gildiner's presents five of what she calls her most heroic and memorable patients. Among them: a successful, first generation Chinese immigrant musician suffering sexual dysfunction; a young woman whose father abandoned her at age nine with her younger siblings in an isolated cottage in the depth of winter; and a glamorous workaholic whose narcissistic, negligent mother greeted her each morning of her childhood with "Good morning, Monster." Each patient presents a mystery, one that will only be unpacked over years. They seek Gildiner's help to overcome an immediate challenge in their lives, but discover that the source of their suffering has been long buried. As in such recent classics as The Glass Castle and Educated, each patient embodies self-reflection, stoicism, perseverance, and forgiveness as they work unflinchingly to face the truth. Gildiner's account of her journeys with them is moving, insightful, and sometimes very funny. Good Morning, Monster offers an almost novelistic, behind-the-scenes look into the therapist's office, illustrating how the process can heal even the most unimaginable wounds.

Lisa, Bright and Dark - John Neufeld 2016-03-22 Selected as one of TheNew York Times Book Review's Best Books of the Year and honored worldwide, Lisa, Bright and Dark was an immediate sensation when it was first published. Detailing how mental illness affects friends and family of the ill, Lisa, Bright and Dark has been in print for more than forty years. Its value has not diminished over time, and readers throughout the world contact the author regularly to discuss their reactions to it. A straight-through read, it is full of romance, excitement, suspense, and finally triumph.

RISK! - Kevin Allison 2018-07-17 A "fascinating" (MetroSource) collection of uncensored, confessional, and at times outrageously funny essays about coming of age, coming out, and the wildest experiences that define us. Collecting the most celebrated stories from the hit podcast RISK!, along with all-new true tales about explosive secrets and off-the-wall adventures, this book paints a spellbinding portrait of the transformative moments we experience in life but rarely talk about. No topics are off-limits in RISK!, no memories too revealing to share. From accidentally harboring a teen fugitive to being poisoned while tripping on LSD in the Mayan ruins, these stories transport readers into uncharted territory and show how your life can change when you take an extraordinary leap. In these jaw-dropping stories, edited and introduced by RISK! host Kevin Allison, writers reveal how they pushed drugs for a Mexican cartel only to end up kidnapped and nearly killed, how they joined a terrifying male-empowerment cult and fought desperately for a way out, how they struggled with pregnancy complications and found a hero where they least expected it, and so much more. A lifelong construction worker shares the intimate details of transitioning to being a woman; a bestselling author discusses how he assumed the identity of his babysitter online in a social experiment gone awry; and a beloved comedian discusses how a blow job from a prostitute changed his life. By turns cautionary and inspiring, RISK! presents an extraordinary panorama of the breadth of human experience and a stunning tribute to the power of the truth to set us free. Featuring essays by: Aisha Tyler A.J. Jacobs Michael Ian Black Marc Maron Lili Taylor Dan Savage Paul F. Tompkins TS Madison Jonah Ray And many more!
